2023 INTAKES - COURSE INFORMATION

1. THE SCHOOL

Thank you for your interest in studying at Lutheran School of Nursing. LSON was established by the Evangelical Lutheran Church and the Gutnius Lutheran Church of Papua New Guinea. LSON is affiliated with Divine Word University since 2001. However, in 2021 Lutheran School of Nursing was registered as Lutheran Institute of Higher Learning and very soon will be declared as School of Nursing under Lutheran University of Papua New Guinea (LUPNG). Students who complete their (Diploma in General Nursing/ Bachelors in Midwifery) program successfully will have their certificates issued under Lutheran University of Papua New Guinea.

The school is situated 5km away from the main town center and the airport and is across the road from Modilon General Hospital here in Madang. The school campus comprises of an office block, a double story block comprising 4 classrooms and a library, a recreation hall, a student computer lab, dormitories for male and female students, a mess and staff houses.

Lutheran School of Nursing is a Church run institution under the Evangelical Lutheran Church of Papua New Guinea (ELC-PNG) and you will be expected to abide by the Christian Principles and follow the School Rules. The school days begin with devotion at 7:30 am in the Recreation Hall. Community Service is done on Wednesday afternoons and Saturday mornings and you are required to participate as well.

2. COURSES OFFERED

Two programs are currently offered here at the college. The Diploma in General Nursing is offered for those who want to do a Diploma in Nursing and the Bachelor in Midwifery Nursing is one year and six months (18months) program and is offered for the general nurses who have been working in the field for more than two years and want to do a specialty in women and babies health.

The three (3) year competency based Diploma in General Nursing program consists of 50% theory and 50% practical training as well as the Bachelor in Midwifery Nursing program. During the first two years of training the year one and two students in the Diploma Program are sent to both the urban and rural health clinics. In the third year, the students are sent to Rural Health Centers or Hospitals within the MOMASE and Highlands region. The Midwifery students go out for Clinical practice in the Hospital as well as Rural Health Facilities for the rural experience.

Our academic year has two semesters for the Diploma of General Nursing Program and three trimesters for the Bachelor Midwifery Program. The first semester begins in January and ends in June and the second semester begins in July and ends in November. At the end of training, Lutheran University of PNG (LUPNG) will confer the diplomas and degrees to the graduating students who have met the PNG Nursing Council Requirements.

3. COURSE FEES

Course fee varies from every year due to unstable state of economy of our country. Every year fees are increasing because of the high rates of inflation that affects the prices of goods and services.
